SPECIAL DISCOUNT ON CULTURAL SERIES

Farm Credit Club members will be decidedly interested in the opportunity obtained by the Club, to subscribe to a season's reserved seat for the Center Cultural Series at the low price of \$6. This popular winter program of entertainment, which has been in operation in Kansas City for several years, offers one event each week from November through April--a total of 25 events at a cost of less than 25 cents each. The varied calendar includes 10 lectures, 4 Resident Theatre plays, 4 chamber music concerts, and 7 screen masterpieces of yesteryears. Fulton Lewis, Jr., Franklin P. Adams, Osa Johnson, Erskine Caldwell, and Carveth Wells will appear among the personages scheduled to lecture.

Details of the special arrangements which have been made, instructions as to the procedure for entering subscriptions, and a more complete description of the entertainment provided by the Series will be forthcoming in a release to be placed on your desk in the near future. WATCH FOR IT! (WHA)

WOMEN COME TO THE MAIL SECTION

It took war to bring girl messengers to the Mail Section. With them, a great change has come over the Section. There is a noticeable increase in visitors. All the boys are watching their nails, shines, and creases. Dick Robertson has become an FCA fashion plate. Conversation is being carried on in low, cultured tones. (ATC)

LESE MAJESTY

Verily, it is written in chapter 1942, 5th verse of the Exodus of FCA, "And they shall take up their abode in Kansas City, and there shall be a center of the FCA universe and an Annex."

To the cave-dwellers of the Auditorium all this seemed perfectly clear. They were in the center of the FCA universe and the Annex was northeast of Thirteenth and Wyandotte Streets.

But to the garage-dwellers, this was viewing the matter with a prejudiced eye. A correct appraisal of the situation logically and inevitably pointed to the Auditorium as the "Annex." For wasn't 1219 Wyandotte the hub of the FCA?

And so to this day there are two Annexes, depending upon which side of Wyandotte Street happens to be your office habitat. At 212 W. Fourteenth Street the "Annex" is at 1219 Wyandotte, but at 1219 Wyandotte the "Annex" is the Municipal Auditorium. (ATC)

PATENT OFFICE, PLEASE NOTE

Deputy Governor James E. Wells, Jr., has devised an ingenious method for checking on the amount of fresh air coming into his office. He has installed a 5-cent red-white-and-blue pinwheel in front of the

air vent. Unless the pinwheel is revolving, it's pretty hard to convince Mr. Wells that he's getting plenty of air.

PUBLIC LIBRARY READING CARDS

The Farm Credit Club has made arrangements with the reference division of the Kansas City Public Library to obtain reading cards for your personal use without submitting to the usual requirements of the library. Your FCA club membership card to identify you and two names given as references (your supervisor's and one other) will be all that is necessary to obtain a card. The Farm Credit Club is your sponsor, so you will naturally want to maintain the club's integrity by returning books promptly on the date due and in good condition. (IMP)

OUR WASHINGTON REPORTER

Glen Wilber (Personnel) has transferred to OEM, and Edith Saxton, (Personnel), is now with OPA..... Hilda Rebholz and Merle Grimes (CR&S) have transferred to AMA..... Mary McCarthy (now AMA) is planning a vacation to her home in Oregon... Harold Hedges and J. H. Lister (both of CR&S) have been ill in the hospital, but are on the road to recovery..... Dorothy Peffer attended the wedding of Nell Mellott's sister in Philadelphia.

It is rumored that the new "bridge-roadway" being constructed over that part of the Tidal Basin where the old boathouse used to be, is to be a continuation of Independence Avenue. The new pentagon building (War Dept. in case the old residents have forgotten) has so many new by-passes, under- and overpasses, that the surrounding section is hardly recognizable. The

nearby brick-yard on U. S. 1 has been moved down near Alexandria.

CREDIT UNION PARTICIPATES IN BOND SALE

Represented among the bond buyers at the Arena of the Auditorium on Friday, September 11, was the FCA Employees Federal Credit Union. With \$2,000 in credit union funds voted by the directors to be invested in war bonds, John B. Muller, Jr. president of the credit union, first put in a bid for that amount on Fletcher Martin's newly painted picture but Mayor Gage upped the bid to \$2,500 and took the painting. Mr. Muller next bid \$2,000 on a beauty kit which was awarded to the credit union. As the credit union couldn't use this article to advantage, Mr. Muller turned in the prize, which was later sold to another bidder for \$1,750, making the credit union instrumental in selling bonds totaling \$3,750.

The credit union now holds \$5000 in war bonds, and this represents approximately 8 percent of the credit union's assets. (MP)

CLUB MOVIES

A series of movies to begin early in October and continue through the winter and spring seasons has been planned. These pictures will vary in length; some will take only 12

to 15 minutes and others 15 to 35 minutes, leaving part of the lunch period for friendly conversation, a walk around the block, or a dash down to Katz's for a "special."

The pictures will be sound pictures, many in technicolor, and will cover various topics. They will range from one entitled "Orchids" to those showing the daily life of our boys in various branches of the armed services. These movies will be shown at an early lunch period on Tuesday and a later lunch period on Wednesday of each week. Bring your lunch and enjoy the picture at the same time. (ETP)

MANAGING YOUR INCOME

Do you get the most out of your pay check?

The FCA Employees Federal Credit Union and the Farm Credit Club are sponsoring a course open to FCA women on "Managing Your Income" to be given by Dr. Lucile Reynolds and Miss Barbara Van Heulen and specialists in credit union, life insurance, investments, and retirement.

The members of the class will keep a record of their expenses and study methods of budgeting their incomes to get the most out of their salary checks. Suggestions as to how to divide the income among such items as food, clothing, recreation, savings, and investments will be

discussed. A personal investment program including credit union service, the purchase of insurance, War Savings Bonds, and other investments will be presented by specialists in these fields. Attention will also be given to the use of consumer credit.

At the present time, when a larger percentage of each pay check is going for retirement, income and other taxes, and with all of us assisting in the defense of our country through salary deductions for War Savings Bonds, everyone is finding it necessary to revamp her individual budget. For this reason, this course should appeal to a large number of FCA women.

The group will meet twice a month from 5:20 p.m. to 6:15 p.m. in room 1307D, beginning Thursday, October 8. There is no fee. An outline of the course is posted on the bulletin boards. For registration call Marie Puhr, chairman, Ext. 47. (MP).

GWENDOLYN GOODE TEACHES PORTUGUESE

Teaching Portuguese is the unusual "outside interest" of Gwendolyn Goode of the Production Credit Division. Mrs. Goode recently walked into the office of the Pan American School and began talking in Portuguese with the manager, with the result that she is now teaching a class in Portuguese three nights a week.

Mrs. Goode is the daughter of pioneer missionaries to Brazil and the only one of their seven children to be born in the United States. At the age of 5 months she was taken to Brazil where she spent a total of 23 years. Attending Brazilian schools where the subjects were taught in Portuguese, she acquired the perfection of accent that only natives have. She spoke English only at home and with the few English-speaking families in the cities where she lived, Sao Paulo, Rio de Janeiro, and Ribeirao Preto, an interior city in the heart of the coffee-growing section. Clean sweeps prevailed on the opening night of the FCA Bowling League as six clubs took 3 games each. George Thomson was the individual star with high game of 210 and set of 552 in pacing Legal's powerhouse contenders to victory over Accounts. Dellinger topped the losers with 176-484. Reports took the measure of Land Bank with another Thompson, Warren showing the way with 211-495. Morrison's 179-474 was high for the bankers. Kudlak led F&A to a three-game win over Field Accounting with his 188-474 as Captain Rall tried in vain to inspire the losers with 153-443. Graphic was the victor over Personnel with Weinberg's 160-440 and Weatherbee's 175-452 topping the two teams. Jack Fowler's 199-477 was tops as Mortgage Corporation dumped Administrative for three. Simonds' 171-403 was top-heavy for the losers. Kowalski's 203-443 saw Files safely home with a sweep over the Cooperative team whose best was Sander's 122-357. In last Monday's clashes, only two teams, F&A and Mortgage Corporation, remained in the unbeaten class. F&A spilled Graphic, taking the opener by a 3-pin margin.

Vidlock paced the winners to a huge 853 last game with his 189 game and this helped fill up a nice 523 set. Jim Plunkett, Graphic anchorman, took individual honors with his 530 set. Prewitt's 191-541 led Mortgage Corporation to their sixth straight win, this time over Personnel despite Weatherbee's 154-405. R. W. Mills of Accounts posted high individual game of the young season with a fine 213 and his 498 set was instrumental in the odd game win over Cooperative. Sanders again led the Coop. boys with 161-447. Captain Rall led his Field Accounting

mates to a clean sweep over Land Bank with his 191-476 with Morrison's 148-423 high for the victims. Files nipped the strong Reports crew in the middle game, but Hein & Co. came back strong to win going away and hang up high team set of 2,325. Hein's 173-509 was tops for the winners while Schlick banged out 158-444 for Files. With Bob Brownell turning in games of 199 and 196, Legal copped the first two from Administrative, but McClurg's final effort of 203 prevented a shut out. Brownell's two big games enabled him to rack up a 570 set for another high thus far.

Golf

An F&A golf finals looms in the offing as a result of Bill Mason's victories over Chas. Lockwood and Don Warburton by 4 & 3 and 3 & 2 counts. K. A. Brasfield is the other finalist by virtue of his win over Jim Childs some 2 weeks ago. Both Brasfield and Mason have played steady golf throughout and the match, which will probably be played at Swope Park No. 1

this coming Sunday, should be quite a battle. No admission will be charged.

IMPORTANT

If you have an unused ping pong table, the Club can use it. A table tennis league is being formed for winter play and two tables are needed. The tables will be well taken care of, so please notify J. E. Kennedy, Graphic Section, Room 300, Extension 92, if you have a table or know of one.
